- The Arizona Pharmacy Association is accredited by the Accreditation Council for Pharmacy Education (ACPE) as a provider of continuing pharmacy education.

Objectives

Empower Staff: Learn strategies to create a supportive immunization culture within your office.

Engage Patients: Discover effective communication techniques to reduce vaccine hesitancy.

Implement Tools: Gain practical resources to boost immunization rates and streamline vaccine delivery.

Resources

- Arizona Families for Vaccines – a non-partisan network...who have organized to support strong public health legislation in Arizona

- Arizona's statewide nonprofit coalition of over 500 members. TAPI focuses on advocacy, community awareness, and education to promote immunizations and public health

Resources

Children's
Action Alliance

- An independent voice for Arizona children at the state capitol and in the community

AZPHA
Arizona Public Health Association

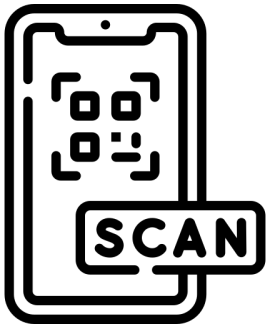

- A Public Health and Sanitary Conference was held at the University of Arizona in April 1928 to bring together officials and workers interested in community health and welfare.
